

A CALL TO ACTION

The time has come. Our goal is within reach. Patience, perseverance and responses to "calls for action" by our membership have born fruit. We can now begin the process of ordering our "Shag Dance Clubs of Virginia" license plates.

The plate to the left is the basic plate. The combination of numerals and letters is assigned by DMV. The cost is \$10.00. The plate to the right has been personalized to the club member's choice. The fee is an additional \$10.00

The DMV website from which you can download the "License Plate Application and accompanying instructions" appears on our website www.colonialshagclub.com. Click on the "button" marked "application info". Those not having computer access can, upon request, receive this material by mail. Copies will also be available at our SOCIALS. Complete the application for each vehicle for which you plan to buy plates and return to any board member. The plan is to collect them over the next 8-10 weeks. No checks now. Payment will be collected this fall.
